It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR pursuant to an Individualized Education Program (hereinafter referred to as "IEP"), and/or Individual Family Service Plan (hereinafter referred to as IFSP).

b) The Collaborative: The Bay Area Collaborative represents ten (10) SELPAs and Member NPA/S (see appendix A for a complete listing and contact information). Nonpublic schools and nonpublic agencies that are contracting with in one of the participating SELPAs agree to participate in this collaborative process to establish a uniform contract for identified services and standards. The established system provides NPA/Ss with an opportunity to have input to the development of the process, contract issues, etc., and a simplified, standard process for rate negotiation with the participating SELPAs. Issues
listed on the Rate Schedule portion of this Master Contract may be reviewed on an annual basis upon request of the CONTRACTOR using the established Bay Area SELPA Collaborative system. CONTRACTOR agrees that the rates set forth in this Master Contract will remain unchanged from July 1 through June 30 of the term of contract, with no changes in the services provided, unless changed in a duly executed amendment to this Master Contract signed by both parties. Increases in rates will be considered on an annual basis and remain unchanged for the term of the contract from July 1 through June 30, with no changes in level of service provided without written approval by both parties.

Evidence of training in a SELPA approved crisis intervention program to staff working in a staffing ratio of 1:1 with students with severe behavioral needs shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire as referenced above. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

f) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies require a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

g) Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

v) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities. Including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention.
vi) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

vii) An intervention that precludes adequate supervision of the individual.

      d) Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil’s face.

      e) Place a pupil in a facedown position with the pupil’s hands held or restrained behind the pupil’s back.

      f) Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

ii) CONTRACTOR shall:
    a) Keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

    b) Afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.
c) If prone restraint techniques are used, a staff member shall observe the pupil for any signs of physical distress throughout the use of prone restraint. Whenever possible, the staff member monitoring the pupil shall not be involved in restraining the pupil.

h) Notwithstanding the provisions of Education Code 48905.8, NPS/NPA staff shall not use prone restraint.

i) In the case of a child whose behavior impedes the child’s learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

56) SEXUAL HARASSMENT

CONTRACTOR shall maintain, and provide upon request, a Sexual and Gender Identity harassment policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.
57) REPORTING OF MISSING CHILDREN

c) CONTRACTOR shall maintain registers for the basic education program and each related service. Original attendance forms shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years after the date of origination. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

d) CONTRACTOR shall submit accurate and timely invoices and related documents to LEA for payment, for each calendar month when education or related services were provided to an LEA student. Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA’s receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is
returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days from the date a completely corrected re-billing invoice is received by LEA.

e) If the LEA fails to comply with the provision of payment within 45 days of receipt of the request for payment of services, the CONTRACTOR may require the LEA to pay an additional amount of 1-1/2 percent of the unpaid balance per month until full payment is made (California Education Code 56366.6 (b)). Upon written notification of dispute, CONTRACTOR shall not apply additional charges to the disputed bill until the matter is resolved.

59) RIGHT TO WITHHOLD PAYMENT

a) LEA may withhold payment to CONTRACTOR when:

   iv) education and/or related services are provided to LEA pupils by personnel who are not appropriately credentialed, licensed, or otherwise qualified

   v) LEA has not received prior to school closure or contract termination, all documents concerning one or more LEA pupils enrolled in CONTRACTOR's educational program

v) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured

vi) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured

vii) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA pupil.

c) If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of receipt of such invoice, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA’s withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA’s withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR’s written request showing good cause, LEA shall extend CONTRACTOR’s time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

d) If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR’s notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA’s response to CONTRACTOR’s notice, CONTRACTOR shall invoke the following escalation policy.

i) Persons involved after forty-one (41) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Specialist, LEA’s Administrator will become involved and shall attempt to resolve the dispute. The
LEA Coordinator shall respond to the CONTRACTOR in writing within ten (10) business days.

ii) Persons involved after fifty-one (51) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Administrator, the SELPA Director shall become involved. The SELPA Director shall respond to the CONTRACTOR in writing within ten (10) business days. This shall be the final LEA determination regarding the withholding of payment.

iii) Persons involved after sixty-one (61) business days: Dispute Resolution, as defined in the SELPA's Local Plan, shall be followed.

e) If the dispute has not been resolved through the SELPA's Dispute Resolution process, the party claiming injury may seek legal or CDE redress, or may submit, if mutually agreed to in writing by the parties, the matter to binding arbitration by an arbitrator or arbitration service agreed upon by the parties. Each party shall be responsible for their own fees for arbitration, if applicable. The parties agree that this Master Contract provision dealing with Master Contract disputes does not alter the parties' right to bring action in accordance with the applicable statute of limitations under state or federal law.

60) PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services covered by this Master Contract or the ISA to LEA pupils. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services covered by this Master Contract or ISA to LEA pupils.

   i) In the event a waiver is not approved, the CONTRACTOR shall be required to schedule a makeup day of service in accordance with the
education code. The NPS will work collaboratively with LEAs and inform them of a date(s) on which the makeup day will occur.

62) NONPUBLIC AGENCY PUPIL ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of an LEA student no later than the fifth consecutive service day of the student’s absence. Nonpublic schools and nonpublic agencies that are contracting with in one of the participating SELPAs agree to participate in this collaborative process to establish a uniform contract for identified services and standards. The established system provides NPA/Ss with an opportunity to have input to the development of the process, contract issues, etc., and a simplified, standard process for rate negotiation with the participating SELPAs. Issues
listed on the Rate Schedule portion of this Master Contract may be reviewed on an
an annual basis upon request of the CONTRACTOR using the established Bay Area
SELPA Collaborative system. CONTRACTOR agrees that the rates set forth in this
Master Contract will remain unchanged from July 1 through June 30 of the term of
contract, with no changes in the services provided, unless changed in a duly executed
amendment to this Master Contract signed by both parties. Increases in rates will be
considered on an annual basis and remain unchanged for the term of the contract from
July 1 through June 30, with no changes in level of service provided without written
approval by both parties.

c) NPA/Ss that are not a member of the Bay Area Collaborative should negotiate rates with
their geographically corresponding SELPA(s). The LEA will contact the corresponding
SELPA to verify established rates. Increases in rates will be considered on an annual
basis and remain unchanged for the following year from July 1 through June 30, with no
changes provided without written approval by both parties.

d) Any CONTRACTOR not participating as a member of the Bay Area SELPA Collaborative
shall individually negotiate rates following local SELPA and/or LEA procedures. Those
CONTRACTORs shall notify the SELPA with whom they contract of any proposed rate
changes effective July 1 by March 1 of the preceding year.

e) The Bay Area SELPA Collaborative Chair shall maintain, annually update and
disseminate to all LEAs, NPS/As who are members of the Collaborative, a master rate
schedule reflecting such NPS/A rates.

f) Upon CONTRACTOR's acceptance of a student referred by the LEA, the LEA shall
complete an Individual Services Agreement (hereinafter referred to as "ISA") as
specified in the LEA Procedures which shall identify the provider of each service
required by the student's IEP/IFSP. For purposes of enrollment, the LEA must provide
approval before any authorization for payment can be made. Such authorization may be
provided electronically, by telecommunications, by mail or by fax. Unless otherwise
agreed in writing, or in the student's ISA, CONTRACTOR acknowledges its obligation to
provide all services specified in the pupil's IEP/IFSP. The LEA acknowledges its
responsibility to pay for all services rendered to LEA students by CONTRACTOR. The

This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a

If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

f) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies require a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

ii) CONTRACTOR shall:
   a) Keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

   b) Afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the State Superintendent evidence of a successful criminal background check clearance and enrollment in subsequent arrest notice service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence with their "Custodian of Records", as specified, for all staff, including those licensed or credentialed by another

c) CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 et seq. and 45350 et seq. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

d) Notwithstanding the foregoing, if current license or credential documents are not available through no fault of the NPS/A, timely application having theretofore been made, this Master Contract shall remain in effect until such documents are made available to the NPS/A from the Consumer Affairs Department or the Commission on Teacher Credentialing. The NPS/A shall in turn submit copies of same to the LEA within five (5) business days of receipt by the NPS/A.

48) VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall notify the CDE and the LEA in writing as specified in the LEA Procedures and CDE within forty-five (45) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in the LEA Procedures. Notwithstanding the foregoing, if current license or credential documents are not available through no fault of the NPS/A, timely application having theretofore been made, this Master Contract shall

b) CONTRACTOR shall monitor the status of licenses, credentials, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide special education services to LEA students. CONTRACTOR shall provide to LEA updated information regarding the status of licenses, credentials, permits and/or other documents as specified in LEA Procedures. CONTRACTOR will be considered to be in breach of this contract for any service provided by an unqualified provider or one who has an expired credential. In such an event, the provider shall be paid at 70% of the agreed upon rate.

49) CALSTRS REPORTING REQUIREMENT

CONTRACTOR shall identify to the LEA any employee (or the CONTRACTOR, if the CONTRACTOR is an individual) expected to perform services under this Agreement who is then-receiving CalSTRS benefits, and who may perform creditable service for the LEA as defined in Education Code 22119.5. Identification to the LEA shall include the individual's full legal name and STRS and social security identification numbers. Before any services by the individual are provided, the CONTRACTOR shall provide to the LEA a signed written confirmation from the individual that he/she is aware of the separation-from-service requirement earnings limitations imposed by Education Code Sections 22714, 24114, 24116, 24214, 24214.5, and 24215. b) When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in section eight (8) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides a mutually agreed upon plan evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. Provider shall notify LEA immediately of the development of the plan for any missed services that include: 5 or more consecutive days of specialized academic instruction (SAI) or more than 2 weeks of missed related services. CONTRACTOR shall not “bank” or “carry over” make-up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA.

Original attendance forms shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years after the date of origination. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

d) CONTRACTOR shall submit accurate and timely invoices and related documents to LEA for payment, for each calendar month when education or related services were provided to an LEA student. Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. Upon written notification of dispute, CONTRACTOR shall not apply additional charges to the disputed bill until the matter is resolved.

Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

d) If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR shall invoke the following escalation policy.

e) If the dispute has not been resolved through the SELPA's Dispute Resolution process, the party claiming injury may seek legal or CDE redress, or may submit, if mutually agreed to in writing by the parties, the matter to binding arbitration by an arbitrator or arbitration service agreed upon by the parties. Each party shall be responsible for their own fees for arbitration, if applicable. Issues
listed on the Rate Schedule portion of this Master Contract may be reviewed on an annual basis upon request of the CONTRACTOR using the established Bay Area SELPA Collaborative system. CONTRACTOR agrees that the rates set forth in this Master Contract will remain unchanged from July 1 through June 30 of the term of contract, with no changes in the services provided, unless changed in a duly executed amendment to this Master Contract signed by both parties. Increases in rates will be considered on an annual basis and remain unchanged for the term of the contract from July 1 through June 30, with no changes in level of service provided without written approval by both parties.

In the event the LEA requests that the NPS administer the assessments, NPS staff will be trained by a contracting LEA in the administration of all State-wide assessments in accordance with the guidelines of Ed Code 56385. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s). After attending one meeting during the school year (including Extended School Year), upon request, a CONTRACTOR who is providing NPA services may request payment for services for attending any additional meetings mandated by the LEA. The request for payment will be at the CONTRACTOR'S agreed upon hourly rate.
31) POSITIVE BEHAVIOR INTERVENTIONS

a) CONTRACTOR shall comply with the requirements of Education Code section 56521.5 regarding positive behavior interventions. LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student’s behavioral problems through the development of behavioral goals and behavioral interventions to support those goals. NPS site based staff and relevant NPA staff will be trained in positive behavior strategies prior to working with students.

b) CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports (BER).

c) CONTRACTOR providing behavior support shall ensure that all of its relevant staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Other contracted agency personnel shall be trained as needed. This is not to be construed as in lieu of general positive behavior management training.

d) Staff will not participate in restraint of students until trained in crisis prevention programs. Evidence of training in a SELPA approved crisis intervention program to staff working in a staffing ratio of 1:1 with students with severe behavioral needs shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire as referenced above. If the training is not able to be provided within 30 days, the non-public school or agency will notify the LEA to determine a plan to provide the training in a timely manner.

e) Pursuant to Education Code section 56521.1 emergency interventions shall not be used as a substitute for a Behavior Intervention Plan (BIP), and instead may only be used to control behavior that is unpredictable and spontaneous. For an emergency intervention to be used, the behavior must pose a clear and present danger of serious physical harm to the individual with exceptional needs, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a
response less restrictive than the temporary application of a technique used to contain the behavior. Emergency intervention shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

f) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies require a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a Behavior Intervention Plan (“BIP”) or Positive Behavior Intervention Plan (“PBIP”), an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

g) Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:
   i) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock

   ii) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual.

   iii) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities.

   iv) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma.

   v) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities. including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention.
vi) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

vii) An intervention that precludes adequate supervision of the individual.

viii) An intervention that deprives the individual of one or more of his or her senses.

h) CONTRACTOR shall comply with Education Code section 48905.8. Specifically,
   i) CONTRACTOR shall not do any of the following:
      a) Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
      
      b) Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

      c) Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places his or her body weight against the pupil's torso or back.

      d) Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.

      e) Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back.

      f) Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

   ii) CONTRACTOR shall:
      a) Keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

      b) Afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.
c) If prone restraint techniques are used, a staff member shall observe the pupil for any signs of physical distress throughout the use of prone restraint. Whenever possible, the staff member monitoring the pupil shall not be involved in restraining the pupil.

h) Notwithstanding the provisions of Education Code 48905.8, NPS/NPA staff shall not use prone restraint.

i) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

32) STUDENT DISCIPLINE

Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

d) If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR shall invoke the following escalation policy.

i) Persons involved after forty-one (41) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Specialist, LEA's Administrator will become involved and shall attempt to resolve the dispute.
LEA Coordinator shall respond to the CONTRACTOR in writing within ten (10) business days.

ii) Persons involved after fifty-one (51) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Administrator, the SELPA Director shall become involved. The SELPA Director shall respond to the CONTRACTOR in writing within ten (10) business days. This shall be the final LEA determination regarding the withholding of payment.

iii) Persons involved after sixty-one (61) business days: Dispute Resolution, as defined in the SELPA’s Local Plan, shall be followed.

e) If the dispute has not been resolved through the SELPA’s Dispute Resolution process, the party claiming injury may seek legal or CDE redress, or may submit, if mutually agreed to in writing by the parties, the matter to binding arbitration by an arbitrator or arbitration service agreed upon by the parties. Each party shall be responsible for their own fees for arbitration, if applicable. The parties agree that this Master Contract provision dealing with Master Contract disputes does not alter the parties’ right to bring action in accordance with the applicable statute of limitations under state or federal law.

60) PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services covered by this Master Contract or the ISA to LEA pupils. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services covered by this Master Contract or ISA to LEA pupils.

61) PAYMENT FOR STUDENT ABSENCES

a) Two accounting/billing options are offered at the discretion of the LEA: “Excused Absence” or “Positive Attendance.” In neither case will CONTRACTOR bill for any absences during Extended School Year (ESY).

i) Positive Attendance Method

a) A factor of 1.055 shall be applied to all approved rates when a Positive Attendance method is used. Actual days of attendance without exception shall be counted as a unit of service.

ii) Excused Absence Method
a) LEA shall not be responsible for payment for more than 8 cumulative days of absences, for each of the first ninety days and second ninety days of the school year (i.e., semester), unless a written time extension is granted by LEA. No more than three of the 8 cumulative absences shall be unexcused.

b) On the 4th consecutive day of a pupil’s absence, CONTRACTOR shall notify LEA of such absence. If CONTRACTOR fails to provide such notice by the 4th day of consecutive absence, CONTRACTOR shall not be compensated for services delivered during continuing absence after the 4th consecutive day of excused absence.

c) All excused absences must be verified and a copy must be submitted to LEA with the monthly invoice. All documentation must be kept for at least five (5) years from the date of origination.

d) Only the individuals listed below may verify the reason for absence:
   (1) School or public health nurse
   (2) Physician
   (3) Principal
   (4) Teacher
   (5) School employee assigned to make such verification
   (6) Student eighteen years of age or over
   (7) Parent

e) Any reasonable method which established the reason for the absence may be used:
   (1) Written note from parent, guardian, representative or adult pupil (over 18 or emancipated)
   (2) Telephone conversation with parent, guardian, representative, or adult pupil (over 18 or emancipated)

f) Standards for excused absences are defined in the education code. Contractor is responsible for verification of excused absence in accordance with current requirements.

b) The following shall apply in the event of an NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

   i) Pursuant to an application for a waiver by an LEA, the CONTRACTOR shall receive the daily rate for pupils who were in attendance prior to the emergency closure as though they were continuing in their regular attendance.

   i) In the event a waiver is not approved, the CONTRACTOR shall be required to schedule a makeup day of service in accordance with the
education code. The NPS will work collaboratively with LEAs and inform them of a date(s) on which the makeup day will occur.

62) NONPUBLIC AGENCY PUPIL ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of an LEA student no later than the fifth consecutive service day of the student's absence. A unit of service for payment purposes shall not be credited for an excused absence when CONTRACTOR is provided 24 hours advance verbal notification of the student's absence. A unit of service for payment purposes shall not be credited to CONTRACTOR for CONTRACTOR'S staff development days.

63) INSPECTION AND AUDIT

a) The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Master Contract.

b) CONTRACTOR shall provide access to LEA to all records including, but not limited to student records as defined by California Education Code section 49061(b). CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

 of the LEA or at the CONTRACTOR's offices (to be specified by LEA) at all times and
 without charge. All records shall be provided to LEA within) ten (10) working days of a
 written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance
 for such examination or audit. LEA's rights under this section shall also include access to
 CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If
 any document or evidence is stored in an electronic form, a hard copy shall be made
 available to the LEA, unless the LEA agrees to the use of the electronic format.
 CONTRACTOR may request from the LEA an extension of time to comply with any
 records request, which shall not be unreasonably withheld.

e) If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an

 monies as a result of over billing, underpayment, or failure to perform, in whole or in part,
 any of its obligations under this Master Contract, the party owed money shall provide to
 the other party written notice demanding payment and specifying the basis or bases for

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated below.

ITEM: ALBANY CHILDREN’S CENTER PRESCHOOL RATE ADJUSTMENT

PREPARED BY: JACKIE KIM, CHIEF BUSINESS OFFICIAL
ANNA MANSKER, ALBANY CHILDREN’S CENTER DIRECTOR

TYPE OF ITEM: REVIEW AND ACTION

PURPOSE: To review and approve the adjustment of AUSD Preschool rates starting in the 2019-20 school year.

BACKGROUND INFORMATION: The last time AUSD Preschool rates were adjusted was in May 2016. A price adjustment is necessary due to the following:
- To align with the cost of neighboring programs
- To balance preschool budget
- To maintain highly qualified staff
- To align with cost increases due to health and welfare and retirement cost increases

DETAILS:
The State of California provides reimbursement at $51.84 per child per day for a “full day” of attendance at preschool. A full day is considered at least 6.5 hours per day. AUSD Preschool operates ten and a half hours a day and provides breakfast, lunch, and an afternoon snack. The cost of operating a 10.5 hour a day program is significantly more than the cost of operating a 6.5 hour a day program (i.e. salary, benefits, etc); however, the amount subsidized is the same regardless of the number of hours the program operates. Additionally, the AUSD Preschool program is open 245 days per year, and all but two neighboring preschool programs are open for 225 days or less. Please see Exhibit A for monthly preschool tuition rates in our area.

Currently, seventy-eight percent (78%) of the students enrolled in the AUSD’s Preschool program, receive state-subsidies, and our AUSD Preschool budget has historically operated at a deficit. During the 2017-2018 school year, this deficit was approximately $140,000. In order to balance the preschool budget, we backfilled the deficit with funds from the school-age before and after-care program that currently runs in the black.

Funds currently being used to cover the deficit in the AUSD Preschool program, will be needed to cover
the costs associated with expanding the District’s school-age before and after school programs due to temporary housing.

**FINANCIAL INFORMATION:**
Staff is recommending the tuition rate for ACC Preschool be increased from $1,250 to $1,450 a month. This recommended price adjustment could potentially generate $38,400 revenue each year based on the current enrollment of Preschool students. $38,400 a year will help to offset the amount of money transferred to preschool from school-age.

**STRATEGIC OBJECTIVES ADDRESSED:**

**Objective #1: Assess and Increase Academic Success. Goal: We will provide a comprehensive educational experience with expanded opportunities for engagement, assessment, and academic growth so that all students will achieve their fullest potential.**

**Objective #2: Support the Whole Child. Goal: We will foster the social and emotional growth of all students, implement an array of strategies to increase student engagement, identify individual socio-emotional and behavioral needs, and apply collaborative appropriate interventions.**

**Objective #3: Communicate and Lead Together. Goal: All stakeholders will collaborate and communicate about decisions that guide the sites and district.**

**RECOMMENDATION:** To review and approve the adjustment of AUSD Preschool rates starting in the 2019-20 school year.

ITEM: BUDGET RESERVE PRACTICE

PREPARED BY: JACKIE KIM, CHIEF BUSINESS OFFICIAL

TYPE OF ITEM: REVIEW AND DISCUSSION

PURPOSE: To review and discuss the 9% budget reserve practice previously adopted by the Board of Education.

BACKGROUND INFORMATION:
At the January 9, 2018 Board Meeting, Allan Garde, AUSD’s previous Chief Business Official, stated that although AUSD began the Great Recession with a budget reserve of over 15%, the District had to monitor cash daily and delay payments by several months to local vendors, delay payments to PG&E for electricity, and make agreements with CalPERS, Delta Dental, and VSP to delay payments for employee benefits. Fortunately, AUSD did not issue loans to meet payroll obligations, or reduce the number of instructional days, or implement furloughs because of an emergency parcel tax passed on November 3, 2009.

However, many school districts across the State survived the Great Recession by laying off staff, issuing loans to meet payroll obligations, delaying payments to vendors including local vendors and utility agencies, reducing instructional days by 5 (temporarily allowed by the State), implementing furlough days to staff, and utilizing State grants for specific programs to pay for general items like utilities. Because of AUSD’s 15% reserve, these types of drastic measures were not required by AUSD.

The State survived the Great Recession’s $130.2 billion budget gap by making sweeping cuts to programs, passing down services previously handled by the State to the local level, utilizing accounting gimmicks by deferring payments to agencies which totaled $35 billion in 2011, and placing a ballot measure on the November 2012 ballot explicitly stating further reductions (mostly focused on education) would occur if the ballot measure did not pass.

DETAILS:
The California Department of Education released the 2017-18 Unaudited Actuals data on March 22, 2019, that allows for the calculation of the district and statewide average reserve levels. The 2017-18 percentages for unified school districts are 16.98% (see Exhibit A).

The State of California requires a school district of our size to maintain a minimum 3% reserve of total expenditures for the current and two subsequent budget years. However, the minimum
reserve level is not enough to cover one month of AUSD’s payroll expenses. Alameda County Office of Education continues to reinforce the need for districts to maintain a reserve higher than the 3% minimum requirement in order to plan for economic uncertainty. The Government Finance Officers Association recommends districts have reserves at least equal to two months of average general fund operating expenditures (about 17%).

AUSD’s historical data for reserves is as follows:
Fiscal year 2013-14 : 18.04%
Fiscal year 2014-15 : 13.11%
Fiscal year 2015-16 : 14.27%
Fiscal year 2016-17 : 15.34%
Fiscal year 2017-18 : 14.31%

The reserves for the current year (FY 2018-19) and the next three years are projected as follows:
Fiscal year 2018-19 : approximately 11.2%
Fiscal year 2019-20 : approximately 8.9%
Fiscal year 2020-21 : approximately 4.9%
Fiscal year 2021-22 : approximately 0.6%

School Services of California encourages districts to consider:

- Assembly Bill (AB) 1200 (Chapter 1213/1991): AB 1200 requires multi-year projections, and in the current environment of cost-of-living adjustment only, even a 10% reserve in year one will not cover cost increases for three years (California State Teachers’ Retirement System, California Public Employees’ Retirement System, health benefits, step and column, special education contributions).
- The 3% reserve is a required minimum, which represents less than one month of AUSD’s payroll expenses.
- The reserve is one-time money and once expended, replacement is essential and often difficult.
- Most financial problems occur over multiple years. It takes a lot of one-time reserve dollars to solve a multiyear problem, even temporarily.
- Unless a district has bond money, it may need additional reserves for school repairs or to provide state matching fund.
- Most districts do not carry reserves specially set aside for post-retirement health benefits which means the general fund reserve is the only source of payment for this growing liability.
- For comparison, the total average net ending balance for all unified school districts was 16.98%, a number School Services of California thinks is reasonable given the State’s current economic circumstances.

**SUMMARY:**
The current AUSD 9% reserve practice accomplishes the following:

- Ensures sufficient cash on hand to meet payroll every month;
● Ensures stability of programs throughout an unstable State budget process;
● Addresses unexpected costs (emergency facility repair related to a leaking roof, malfunctioning fire system, gas leak, or litigation, etc.);
● Saves for large purchases (equipment and facility components that have reached the end of their useful lives, such as worn out flooring or heating and cooling systems);
● Affects the district’s credit rating when selling bonds; and
● Ensures time needed to engage stakeholders when making budget reductions.

STRATEGIC GOALS ADDRESSED:

Objective #1: Assess and Increase Academic Success. Goal: We will provide a comprehensive educational experience with expanded opportunities for engagement, assessment, and academic growth so that all students will achieve their fullest potential.

Objective #2: Support the Whole Child. Goal: We will foster the social and emotional growth of all students, implement an array of strategies to increase student engagement, identify individual socio-emotional and behavioral needs, and apply collaborative appropriate interventions.

Objective #3: Communicate and Lead Together. Goal: All stakeholders will collaborate and communicate about decisions that guide the sites and district.

RECOMMENDATION: To review and discuss the 9% budget reserve practice previously adopted by the Board.
The California Department of Education released the 2017-18 Unaudited Actual data that allow for the calculation of the district type and statewide average reserve levels.

The reserve levels are defined as the unrestricted net ending fund balance for the General Fund, plus the ending balance for Fund 17 (Special Reserve for Other Than Capital Outlay Projects) as a percentage of total General Fund (including restricted programs) expenditures, transfers, and other uses. The averages by district type are as follows:

<table>
<thead>
<tr>
<th>District Type</th>
<th>2017-18 Average Unrestricted General Fund, Plus Fund 17; Net Ending Balances as a Percentage of Total General Fund Expenditures, Transfers, and Other Uses</th>
<th>Change from Prior Year</th>

<td>20.20%</td>
<td>-0.88%</td>
</tr>
<tr>
<td>High School Districts</td>
<td>15.63%</td>
<td>-1.01%</td>

</tbody>
</table>

The 2017-18 percentages for both unified and high school districts are below the 17% minimum (two months of payroll) amount of reserves for local governments recommended by the Governmental Finance Officers Association. While the elementary school districts’ average is higher, there are many more small elementary school districts, which more than justifies a higher elementary school statewide average, in our opinion.

ITEM: ALBANY UNIFIED SCHOOL DISTRICT SOLANO AVENUE PROPERTY

PREPARED BY: VAL WILLIAMS, SUPERINTENDENT

TYPE OF ITEM: REVIEW AND DISCUSSION

PURPOSE: For the Board of Education to review and discuss the Albany Unified School District property at 1216 and 1200 Solano Avenue and provide direction to staff.

BACKGROUND INFORMATION:
In 2005, motivated by the desire to create affordable staff housing, staff and the Board engaged in discussions to potentially develop the AUSD-owned property on Solano Avenue. A Request for Proposals (RFP) process was initiated, and two proposals were submitted: one by Oliver & Company and one by Cornell Partners. The plan submitted by Oliver & Company included retail space on the ground floor, AUSD office space, leasable office space on the second floor, and eight (8) apartments on the third floor. The plan submitted by Cornell Partners (consisting of Howard McNenny, Red Oak Realty, and Novo Construction) included space for the district office and retail space.

The Board also discussed options to develop the property which included revenue-generating leased space, developer financing, and affordable housing. The Solano Avenue plans became dormant around 2011 possibly due to the recession and the inability of the district to find a means to fund the project.

DETAILS:
The AUSD-owned property on Solano Avenue is approximately 14,000 sq. ft. Currently, the property at 1216 Solano Avenue is leased by the YMCA for $40,425 through June 30, 2019 and $66,000 annually until the lease terminates on June 30, 2023. Either party may terminate the lease with 180 days written notice. The YMCA program on Solano Avenue includes Solano Kids Club, which is a licensed before-and after-school program providing services to K-5th grade students, and Albany YMCA Preschool, a play-based Spanish-English bilingual program for children ages 2.9 - 5 yrs. The Solano Avenue property also houses the AUSD Enrollment Center at 1200 Solano Avenue.

STRATEGIC OBJECTIVES ADDRESSED:

Objective #3: Communicate and Lead Together. Goal: All stakeholders will collaborate and communicate about decisions that guide the sites and district.

RECOMMENDATION: For the Board of Education to review and discuss the Albany Unified School District property at 1216 and 1200 Solano Avenue and provide direction to staff.
Cornell Partners
Financial Proposal

Cornell Partners’ offer to the Albany Unified School District is presented in two forms: One for a build-to-suit turnkey transaction in which the school district would make a cash purchase of the office portion of the 3-story building, upon acceptance of the completed building. The second offer is for a long-term lease of the office space. In both cases, the school district would continue to own the land, but would lease the development rights for a minimum lease term of 99-years. We anticipate that the first option may be preferable to the district for the simple reason that it is able to borrow money at a much lower rate than a private developer is able to do, and the terms will necessarily reflect that. On the other hand, it will be necessary to confirm that bond funds are available for such a purpose, and if not, there may need to be a ballot measure to confirm voter approval. Details of each offer are as follows:

Build-to-Suit; School District Purchase of the Offices

Cornell Partners proposes to construct the 3-story office building to the specifications described in the proposal dated July 15, 2005. Upon verification that the building is substantially complete and ready for occupancy, the school district will pay to Cornell Partners a lump sum payment of $1,950,000, and will at that point assume ownership and all ownership responsibilities for the offices. This lump sum payment is based upon an assumed authorization by the School District to begin construction no later than March 31, 2006. In the event of a delay in authorization of construction beyond that date, through no fault of Cornell Partners, the contract amount will be adjusted in accordance with the change in the construction cost index for the Bay Area from that date to the actual date of authorization by the School District.

Concurrent with the construction of the office building, Cornell Partners intends to construct the adjoining retail building. Cornell Partners will retain ownership of this building, as well as the retail space on the ground level of the 3-story building.

Cornell Partners will pay to the school district a monthly payment of $3,000 for the ground lease of the land being used for retail purposes, for the first 10 years of the lease period. After 10 years, the ground lease will increase to $3,750 per month for the next 10 years, and after 20 years, the ground lease will increase to $4,750. At the end of 30 years, and at 10 year intervals throughout the duration of the lease, the ground rent will be adjusted according to the lesser of the following: (1) the increase in the appraised value of the land, or (2) the increase in the San Fransisco-Oakland urban consumers CPI (both using the 20-year anniversary of the lease as the base date). As an additional condition, Cornell Partners will be given first right of refusal for purchase of the land, should the school district decide to sell at some future date.
Build-to-Suit; School District Lease of Offices

Under this proposal, the Albany Unified School District will enter into contract with Cornell Partners to pre-lease the school district offices. Cornell Partners will agree to construct the building to the specifications described in this proposal, and make the offices available for occupancy on an agreed-upon date. The district will agree to pay monthly rent to Cornell Partners at the rate of $2.25 per square foot of leasable area for the first 10 years of the lease period. After 10 years, the monthly rent will increase to $2.80 per square foot, and after 20 years, the rent will increase to $3.50 per square foot. Thereafter, the rent will be determined by generally prevailing rents for similar office buildings in the area.

As above, concurrent with the construction of the office building, Cornell Partners intends to construct the adjoining retail building. Cornell Partners will retain ownership of this building, as well as the retail space on the ground level of the 3-story building.

Cornell Partners will pay to the school district a monthly payment of $6,000 for the ground lease of the land being used for retail purposes, for the first 10 years of the lease period. After 10 years, the ground lease will increase to $7,500 per month for the next 10 years, and after 20 years, the ground rent will increase to $9,500 per month. At the end of 30 years, and at 10 year intervals throughout the duration of the lease, the ground rent will be adjusted according to the lesser of the following: (1) the increase in the appraised value of the land, or (2) the increase in the San Francisco-Oakland urban consumers CPI (both using the 20-year anniversary of the lease as the base date).

character, but there is an interrelated character that is important. When you look at each individual pro forma, you will see that there is a cash requirement. The Jackson Street site requires $300,000, the Solano Avenue site $400,000 and the San Gabriel Avenue site $600,000. That equals a total of $1,300,000 dollars cash required to complete these projects. We believe that this cash is available at a minimum from the sale of the seven units at the Jackson Street site Cerroto Street frontage. These seven lots should draw at least $300,000 and perhaps more providing the cash necessary to input with non-profit financing to complete the three projects. If that is not the solution you desire we have alternatives to propose. It would be important for me to go back to your Evaluation Process description and answer the numbered questions in order.

1. This transmittal letter authorizes this submission and is signed by myself as a CEO of Oliver & Company and provides you confirmation of my authority to submit this proposal and stand behind it.

2. Oliver & Company will be the entity with which the district will contract. We are a corporation formed in the State of California and, as stated before, in existence for nearly sixty years. Oliver & Company will arrange and provide the management of contractor and sub-contractor arrangements for the Albany School District. It will represent, with our design team and other entities, the work with financing groups that will be involved in the development of these three sites.

3. I have described above Oliver & Company’s development experience, but enclosed is a list of recent projects in the Bay Area that Oliver & Company provided construction management for. In some cases we were construction and design managers only and in some cases we had full development responsibility from land acquisition through completion of the project.

4. The development team to be assigned to the project would be myself as Principal, the Project Executive will be Josh Oliver, Vice President of Oliver & Company, and a Project Manager responsible for day-to-day construction operations. We divide responsibilities, in this case, between the financing and design and construction. As the Principal, I will manage the financing and design side and Josh Oliver will manage the construction budgeting and sub-contracting with our design team partners.

5. The architect for this project will be a professional association between Trachtenberg Architects, based in Berkeley, and Federic Schwartz Architects out of New York. The Landscape Architect will be The Miller Company of San Francisco. All three of these award-winning firms are noted for their inventive and cost effective solutions and their demonstrated ability to navigate the often labyrinthine agency approvals processes. You will be well served by their collaborative approach, hands-on knowledge of construction, proven sensitivity to schedule and cost issues and dedication to the project from commencement through completion. The firms are complimentary in size, scale of work and
I look forward to continuing our discussion on these very exciting projects and would love to participate, not only with the fabulous design team that we have assembled, but given the opportunity to increase our commitment to the East Bay. A relationship with the City of Albany’s School District would be an exciting opportunity for us. We look forward to continuing this discussion.

Very truly yours,

Steven H. Oliver

TRACHTENBERG ARCHITECTS

BACKGROUND AND PHILOSOPHY

The design studio of Trachtenberg Architects, founded in 1991, is committed to excellence in architecture and design.

Trachtenberg Architects seeks no stylistic label but strives for innovative and cost-effective solutions developed from a critical understanding of site conditions, program, political realities and budgetary constraints. We interpret site and context, whether a historic Northern California vineyard or a high-end urban block, as forces to organize program, circulation and light. The nature of materials — their means of production and connection — are made evident at all levels of the work.

Employing a hands-on approach to design and construction, our best work results from active collaborations with clients and builders. We foster productive partnerships with the builders with whom we work, permitting us to integrate their field-based knowledge into our developing projects.

We believe in value

From the beginning of each project, we work with clients and builders to develop realistic budgets and schedules. We proceed through each project phase measuring project development against these constraints in a way to ensure project success. Through our experience in the field, we have learned to create memorable and high quality spaces without excessive or unnecessary cost.

We have experience with a great variety of clients and project types

Our body of work includes experience with the full range of project types and clients including private homes, developer-driven projects, and buildings for non-profit, religious and institutional clients. Our experience with designing private homes has taught us the importance of craft and attention to detail. Our work with developers has given us the experience and skills required to produce large and complex projects within strict budget and schedule constraints. Our work with non-profits, religious and institutional clients has given us the skills to work with diverse constituencies, committees, and tight budgets.

We bring expertise in managing the agencies approval process

We have extensive knowledge of and success with working with various city agencies including zoning and design review boards and the building departments. Many of our projects have involved negotiating potentially contentious projects in a positive direction for our clients. Over the years David Trachtenberg has built direct relationships with various city agencies and administrators throughout the Bay Area that help our projects move forward in a timely fashion. In addition, we encourage and work with our clients to build favorable neighbor relations throughout the project. Our experience has shown us how important good neighborhood relations can be for a positive project outcome in a timely fashion.

We bring expertise in dealing with the landmarks process

We have experience in working on historic and landmark buildings, including major additions to state land-marked buildings. These projects require sensitivity to the historic nature of the structure while presenting the unique challenges of developing a scheme for current day uses, accessibility and building systems.

We bring expertise in environmental sensitivity

We have the knowledge and ability to design using environmentally sensitive and sustainable planning principles, equipment and materials / methods of construction when they serve our clients’ interests. We educate and encourage our clients to elect these principles.

ITEM: BOARD POLICY 5145.9 (Hate-Motivated Behavior)

PREPARED BY: MARIE WILLIAMS,
ASSISTANT SUPERINTENDENT, EDUCATIONAL SERVICES

TYPE OF ITEM: REVIEW AND DISCUSSION

PURPOSE: The purpose of this item is for the Board of Education to review and discuss Board Policy and Administrative Regulation 5145.9 (Hate-Motivated Behavior).

BACKGROUND INFORMATION:
At the November 14, 2017 AUSD Governing Board Meeting, the Governing Board approved the establishment of a District Board Policy Committee to do the following:
1. Make recommendations to the Governing Board regarding the creation, revision, and deletion of Board Policy and Administrative Regulation.
2. Monitor the implementation of Board Policies/Administrative Regulation districtwide.

The Board Policy Committee is composed of AUSD Trustees, classroom teachers, site and district administrators, and community members. Since February 2018, the Committee has held monthly meetings to discuss AUSD Board Policies and Administrative Regulations. In accordance with the Brown Act, all meetings are open to the public and meeting materials (agenda and minutes) are posted on the District’s website 72 hours prior to the meeting.

As stated in AUSD Board Policy 9310 (Board Policies), written board policies and administrative regulations “convey expectations for actions taken in the district, clarify roles and responsibilities of the Board and Superintendent, and communicate Board philosophy and positions to the students, staff, parents/guardians and the community.” To that end, it is important Districts establish processes for maintaining current board policies and administrative regulations.

DETAILS:
The Board Policy Committee identified a series of board policies pertaining to student conduct for review and revision. The process of revision began with comparing sample language from California School Boards Association (CSBA) to current District board policy and administrative regulation. CSBA regularly provides updates to sample board policy and administrative regulation language to reflect new and updated legislation.
The following is a summary of changes made to Board Policy 5145.9 (Hate-Motivated Behavior):

- The sentence that begins: “The District shall provide students with age-appropriate instruction…” reflects revised CSBA sample board policy language.
- The sentence that begins: “The Superintendent or designee shall ensure that the rules prohibiting hate-motivated behavior…” reflects revised CSBA sample board policy language.
- The following language was removed from the board policy and included in the new administrative regulation:
  - Procedure for filing a complaint in accordance with uniform complaint procedures.
  - Professional development for staff and students.

California School Boards Association (CSBA) does not have a sample Administrative Regulation 5145.9; therefore, AUSD created a draft administrative regulation using sample language from neighboring districts and with input from the District’s site administrators.

**STRATEGIC OBJECTIVES ADDRESSED:**

`Objective #3: Communicate and Lead Together. Goal: All stakeholders will collaborate and communicate about decisions that guide the sites and district.`

**RECOMMENDATION: REVIEW AND DISCUSS BOARD POLICY 5145.9 (HATE-MOTIVATED BEHAVIOR)**

The district shall provide age-appropriate instruction to help promote understanding of and respect for human rights.

At the beginning of each school year, students and staff shall receive a copy of the district's policy on hate-motivated behavior.
