

ALBANY UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION

Board of Education Meeting Highlights 5/22/2018

By: Vice President Stapleton-Gray

On May 22nd the Board held a work study session on secondary school (Albany Middle and High Schools, and MacGregor High) Single Plans for Student Achievement (SPSA), with site principals presenting on each school's plan.

After closed session, the Board held its regular public session.

In its regular look at promotion of safe schools, the Board heard a presentation on SEED (Seeking Educational Equity and Diversity).

The Board returned to a consideration of the Albany High School Behavioral Matrix. Due to several board members concerns, staff was directed to continue refining the disciplinary matrix.

The Board also unanimously adopted a resolution advocating addressing concerns of climate change.
