

ALBANY UNIFIED SCHOOL DISTRICT

PROPOSED 2011-12 BUDGET REDUCTIONS

Marla Stephenson, Superintendent

Laurie Harden, Associate Superintendent, Business

The Governor's Budget for 2011-12

- So, how does the Governor propose to dig the State out of a \$26 Billion shortfall of revenue?
 - Cuts – lots of them
 - But with the acknowledgement that education has already taken more than its fair share of cuts
 - Education is proposed to be flat funded for 2011-12
 - Realignment
 - Restore local control of service delivery and save the state money
 - Continuation of taxes
 - Temporary taxes will be extended by five years
 - **If the taxes are not extended, an estimated additional \$9 billion in cuts will be needed, including large cuts to education**

The Governor's Budget for 2011-12

This represents a \$2 billion reduction in funding—
a loss of about \$330 per ADA for AUSD totaling \$1.2 million

- **Additionally, economic changes between now and enactment of the 2011-12 Budget could also cause a revision, up or down**
- Good news state sales tax collections are up estimated \$2 billion in additional revenue

□ **WHAT DIDN'T HAPPEN**

- The Legislature did not reach the two-thirds vote required to place the tax extension measure on the June ballot

Revenue Limit per ADA

CURRENT LOSS OF REVENUE = \$4.7 MILLION
WITHOUT TAX EXTENSION = ADDITIONAL LOSS OF \$1.2 MILLION

Revenues & Expenditures

RESERVE FUNDS

District Reserve Funds \$4,297,749

Original Intent: Unforeseen Expenditures

Current Use: Due to massive funding deferrals
the reserve is heavily relied on for
“operating cash”.

Monthly Salary/Benefits = \$2 million per month.

There will be 5 months in 2011-12 that the district will
receive 0% funding from the State.

Without “reserve” funds, the district would need to
borrow operating cash.

Borrowed cash is costly and greatly impacts operations.

PARCEL TAXES

- The district receives parcel tax funds from two separate tax measures, Measure J, which generates \$4.3 million dollars and Measure I, which generates \$1.2 million dollars. Below is the language that determines expenditures as well as a summary of how the funds are being expended:
- Measure I \$1 49 per parcel
- Expiration Date: June 2015

- Measure J \$555 per parcel
- Expiration Date: Does not expire

Measure 1 –Emergency 5year tax

PURPOSES

Moneys raised under this Emergency Education Funding Act shall be authorized to be used to restore programs and services cut from the District's budget as a direct result of a reduction in State funding for schools, including but not limited to:

Restore teaching positions and support services

Restore music and arts courses

Restore English language learning services

Restore campus safety and security services

Restore library services

Restore counseling

Restore reading, writing and math support and to restore and preserve other academic programs, instructional equipment, materials and supplies from State budget cuts, to the extent of available funds.

- hire and retain librarians;
- provide student mental health services;
- offer courses in science, technology, arts, music, and foreign language;
