Enrollment By Staggered Reading Hour

Early Bird vs. Late Bird Enrollment

| | Early Birds | Late Birds |
|---------|-------------|------------|
| Cornell | 59 | 53 |
| Marin | 57 | 52 |
| OV | 40 | 43 |
| Total | 156 | 148 |

Early Bird or Late Bird...

We all loved Enrichment!

Successes, Challenges, and Next Steps

Successes:

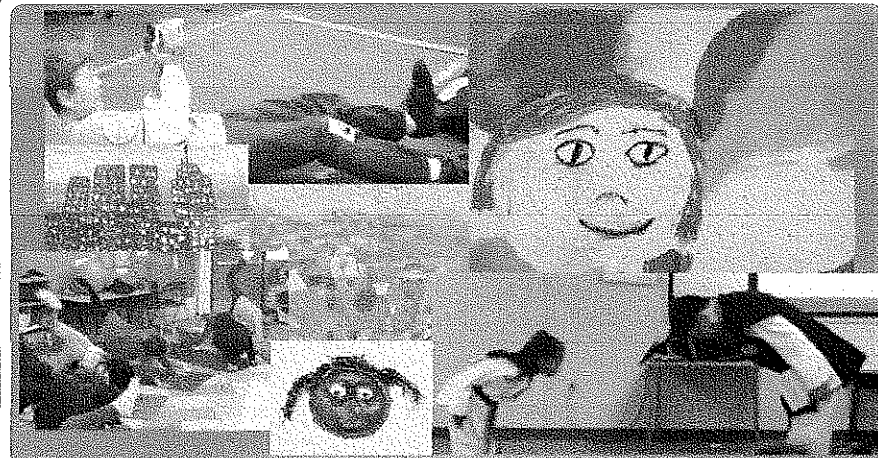

- Provided on-site enrichment option for families feeling challenged by the early/late schedule.
- Exposed students to a variety of new opportunities.
- Built relationships at each school site between staff and program.
- Very positive feedback from parents about curriculum, variety, instructors, logistics—especially considering this was a pilot program.

Challenges:

- Space

Next Steps for 2010-11:

- Expand the Enrichment Program to include Wednesday after school classes for 1st -3rd grade
- Pilot a small after school program (depending on the availability of space) to include 4th and 5th grades
- Work with other Albany daycare agencies such as the Albany Children's Center, YMCA, and Kids Club to examine ways to increase enrichment opportunities for students in those programs

**Thank you to everyone who worked to make
this program a reality for our students!**
