

**NOTICE OF INTENT TO PREPARE  
AN ENVIRONMENTAL IMPACT REPORT  
ALBANY HIGH SCHOOL COUGAR FIELD  
IMPROVEMENTS PROJECT**

NOTICE is hereby given that the Albany Unified School District intends to prepare an Environmental Impact Report (EIR) for the proposed Albany High School Cougar Field Improvement Project. The project will be located at 501 San Gabriel in the City of Albany, Alameda County, north of Albany Middle School and the adjacent field in the City of El Cerrito, Contra Costa County. The proposed project will result in minor demolition, followed by new facilities that include a synthetic field and night lighting.

A copy of the Notice of Preparation (NOP) for the EIR, along with a supporting Initial Study, is available for public review at the Albany Unified School District Office, 904 Talbot Avenue, Albany, California, and the Albany Library, 1247 Marin Avenue, Albany, California and the City of Albany Office, 1000 San Pablo Avenue, Albany, California for 30 days from April 24, 2006 through June 1, 2006. The NOP and its Initial Study are intended to notify agencies and the public that an EIR will be prepared and also solicits comments about the scope of the physical environmental impacts that should be evaluated as part of the EIR preparation. Upon review of the documents, comments regarding any or all parts of their content may be made, in writing, to the Albany Unified School District, 904 Talbot Avenue, Albany, CA. 94706. Comments should be addressed to Dr. William Wong by no later than the end of the 30-day review period. For further information, please call (510) 558-3766 between the hours of 8:00 A.M. and 4:30 P.M.
